FIRST IMPACT: BECOMING PART OF A GLOBAL COMMUNITY

What started from a dream and years of research for the first alpha tested concept, we saw a **global response**.

Dr. Oz's team and Sir Richard Branson supported our project, sparking global interest and demand for the Somadome. Seemingly overnight, **we had thousands of inquires from all over the world** on how to get the dome.

The concept of the Somadome struck a chord, highlighting the universal need for a peaceful sanctuary to find inner calm amidst life's chaos. This ambassador program is designed to help more people get in that space access their higher self.

AND THAT'S WHERE YOU COME IN...

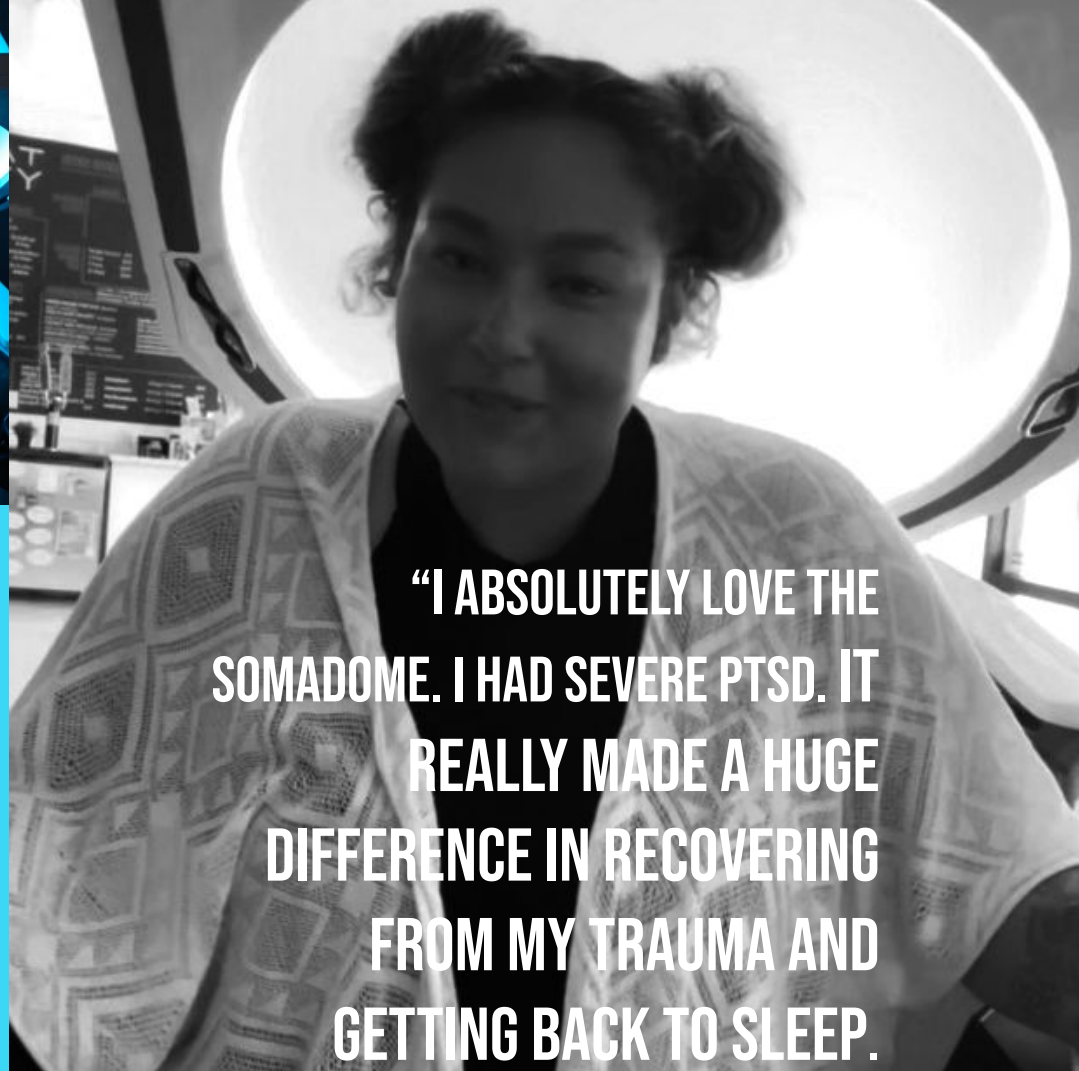

DOES IT WORK?

IN A 9-WEEK STUDY, 93% OF PARTICIPANTS SAW A 43% REDUCTION IN HRV AND IMPROVEMENT IN HEART COHERENCE.

IF YOUR MIND IS ALWAYS RACING, IT WORKS! TRUST ME IT WILL CHANGE YOUR LIFE!

SWEAT EQUITY

“I ABSOLUTELY LOVE THE SOMADOME. I HAD SEVERE PTSD. IT REALLY MADE A HUGE DIFFERENCE IN RECOVERING FROM MY TRAUMA AND GETTING BACK TO SLEEP. GETTING BACK TO CONCENTRATING, AND GETTING BACK TO WHO I AM.”

BREEANA

“I JUST WANTED TO SEND A QUICK (AND BIG) THANK YOU FOR ALL THAT YOU’VE DONE FOR OUR VIRGIN DISRUPTORS EVENT. THE SOMADOMES WERE TRULY THE HIGHLIGHT OF THE DAY AND EVERYONE (INCLUDING RICHARD BRANSON) WAS TALKING ABOUT IT. WE ARE INCREDIBLY GRATEFUL FOR YOUR PARTICIPATION AND THE TIME AND ENERGY YOU PUT INTO JOINING OUR EVENT.”
